JOURNAL

Vol. IV No. 4

Dear Customer:

Pending I.R.S. legislation has given a boost to not only U.S. Gold, but the entire coin market as well. The movement of funds from pure bullion items such as Rands and Maples into coins with some numismatic premium has resulted in substantial price hikes for both U.S. gold and type coins. As demand increasingly focuses on areas which will be exempt from reporting, this upward trend is expected to continue well into the summer.

This past March was the strongest month in our history, with sales in excess of five million dollars. As the largest supplier of quality U.S. gold on the market, we were able to convert the bullion holdings of many of our customers into high quality U.S. Tens and Twenties at the best exchange rates available anywhere.

I am pleased, as well, to announce the addition of Ed Stack to our staff this month. Ed is a long-time numismatist from New York, and his experience will be a valuable asset to our firm.

I urge you to examine your current numismatic holdings, especially in light of recent regulations, and give one of our professionals a call today.

Sincerely,

Michael W. Sherman  
General Manager

## BUST HALF DOLLARS

1806 VF (25/25) O-116. (R-3). Pointed 6. Stem through Claw. Magnificent deep toning. Unevenly struck but charismatic due to its originality.	400.00
1806 AU (50/55) O-109. (R-1). Pointed 6. No Stem through Claw. Somewhat prooflike surfaces have toned to a light golden-russet. Quite sharp for a variety which is often seen very soft. Curiously, an "H" has been counter-stamped to the left of the eagle's claw.	2,000.00
1832 MS (65/65) O-102. (R-1). Small Letters. Somewhat prooflike obverse graced by wonderful chartreuse, rust and lilac-grey toning; similar but lighter reverse bathed in an overcoat of gold. Easily the finest strike we have ever seen on an 1832 Half Dollar. The denticles appear almost three-dimensional and even the smallest details are bold. One of the finest type coins in this offering.	5,400.00

## SEATED LIBERTY HALF DOLLARS

1848-O MS (63/63) Lustrous satiny surfaces toned to a light gold with the rims blackened by album storage. Lightly marked on the surfaces but choice for the date and grade. Scarce and unobtainable any finer.	1,475.00
1853 MS (60/60) Arrows and Rays. Fiery gold toning atop lustrous surfaces. An outstanding value and a coin as nice as most graded "MS-63".	1,975.00
1859 Proof (63/63) Even midnight blue toning atop original, reflective surfaces. Always in demand amongst the type collectors.	1,250.00
1860-O MS (63/63) Semiprooflike with a trace of light bluish-gold toning.	1,175.00
1860-S MS (63/65) Struck from lightly clashed dies. Medium "metallic silver" with flecks of green-grey throughout the surfaces. A few contact marks in the right obverse field are hidden by the toning. Scarce.	3,425.00
1861 MS (63/63) Fully prooflike and deeply toned. The reverse is of Gem quality.	1,150.00
1861 Proof (63/65) Similarly toned to the last but with a slightly different scheme on the obverse.	2,750.00
1870 MS (65/65) Prooflike. Fairly deep grey-green with underflashes of electric-blue and violet. A touch of striking weakness at the top of Ms. Liberty's head and the seventh star; the surfaces show no readily visible marks. Visually a twin to the 1869 Dime listed earlier and, like that coin, a very rare date in strict Mint State.	6,300.00
1879 MS (65/65) Prooflike with a partial cameo obverse; very attractively toned in rose-lilac and aqua hues.	7,675.00
1881 MS (63/65) An obvious business strike with frosty surfaces under light champagne-gold hues. Weakly struck at the top of Ms. Liberty's head and the eighth star; a few tiny obverse marks from a full "65".	2,450.00
1885 MS (63/63) An unquestionable business strike with frosted satiny surfaces and virtually no prooflike reflectiveness. Scarce; only 5,200 business strikes were coined.	2,150.00

## BARBER HALF DOLLARS

1892 MS (65/65) Fully prooflike obverse; lustrous reverse. Both sides of this eye-grabbing coin are superbly toned in rainbow hues. ANACS E-4253-N for grade and authenticity.	5,250.00

1896-S MS (63/65) Deeply toned but still very lustrous. A small scratch on the neck, visible only when the coin is tilted, removes this from consideration at a higher grade.	4,350.00
1904 Proof (65/67) In full brilliance and entirely original with hairline and slide-mark free surfaces. One of the finest Proof Barber coins of any denomination we have owned in some time.	6,100.00

1912 MS (63/65) Outstanding obverse luster and, overall, very good quality for the type.	2,625.00
1912 Proof (63/65) A tiny granular spot on the obverse; the reverse is very choice.	2,975.00
1913-D MS (65/65) Dusty gold centers shading to citrine at the rims. Clean and original; worthy of consideration by the type collectors.	3,900.00

## QUARTER EAGLES

1805 AU (50/55) Struck in green gold. The obverse is exceedingly clean and it displays some luster in the protected areas. The reverse is very lustrous but does show adjustment marks at the 12:00 rim and the eagle's neck. A fine example of this rare type and, as well, a scarce date in this grade.	8,125.00

## THREE DOLLAR GOLD

1856-S AU (50/55) Medium S. Prooflike. Attractive gold toning. A light scratch at the rear of Ms. Liberty's head; very clean and virtually unworn reverse. Scarce.	2,350.00
1874 AU (50/50) Substantial luster is present; the surfaces are clean and original. A good type coin.	1,150.00
1878 MS (63/65) Very subtle pink and green toning atop original satiny surfaces. An unimprovable strike for the type with a full bowknot and sharp hair. A small scratch on the obverse forces us, a bit reluctantly, to downgrade this from a full "65".	7,250.00
1888 Proof (65/65) 291 Proofs struck. Deep gold toning atop fully reflective surfaces. Other than a tiny Mint-made mark to the left of the 3, this glittering coin is superb. An excellent opportunity for the specialist or advanced collector.	19,800.00

## HALF EAGLES

1806 AU/MS (55/60) Breen 5-E. Round Top 6. Stars arranged 7+6. Fully lustrous and removed from newness by some touches of rub on the obverse highspots. Typical somewhat uneven strike, faint obverse scratch in the right field.	9,250.00
1812 AU/MS (55/60) Breen 1-A. Deep green-gold with hints of pink at the date and reverse legend. Not especially lustrous but, in its defense, incredibly clean and very, very minimally worn.	8,750.00

## HALF EAGLES

1814-3 MS (63/63) Breen 1-A. Fairly deep yellow and green gold with incredible luster. The surfaces are excellent with no serious marks and only the most insignificant of adjustment marks. The overall eye appeal of this coin is exceptional. A Half Eagle for the connoisseur.	24,500.00
1834 AU (50/50) Classic Head. Prooflike. Fiery copper-hued toning at the peripheries.	995.00
1838 VG (8/8) No problems — just wear and lots of it.	195.00

1850-C AU (50/50) Perfect Mintmark, punched at the left of the E in FIVE. Light green gold with a good deal of luster remaining. An exceptional strike for the date with no weakness at the eagle's legs. No serious marks and excellent eye-appeal. Very scarce in this date and almost unobtainable any finer.	1,750.00
1851-O EF (45/45) Similar in appearance to the 1844-O. Weakly struck at the hair below IBER and the corresponding reverse; if struck a bit sharper this might just make a full "50".	750.00
1855-C MS (60/60) Mattelike surfaces from exposure to seawater. Still desirable and as nice as can be readily procured for this scarcer date.	1,950.00
1863 MS (60/60) Only 2,442 business strikes coined; of these, as few as two dozen survive. This newly-discovered piece is, without a doubt, one of the finest known. It is lustrous and well struck with copper and pink toning. The surfaces are a bit scuffy but no marks are deep or conspicuous. Probably the rarest coin in this catalog and an important opportunity for the specialist or the collector of gold rarities.	3,950.00
1870-CC VG (8/8) Extensively worn and polished but, hey, it's a genuine 1870-CC Half Eagle. Very rare.	1,400.00

1881 MS (63/65)	2,725.00
